Since 2007, your New Mexico neighborhood Jiffy Lube owners have generously sponsored unique scholarship opportunities for both driver education students and all teen drivers attending New Mexico high schools. To date, 47 students have been awarded scholarships and 16 New Mexico high schools have been awarded the \$500 school award for most essays submitted.

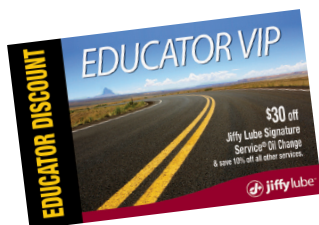

The "What Drives You?" scholarship program allows students to express their "inner drive" and personal ambitions with a 500 word essay. There are two separate scholarship categories. The "your turn behind the wheel" awards are offered only to students enrolled in driver education during this school year and the "Teen Driver" scholarships are offered to all other eligible current high school students.

Students can apply directly online with their essay submission at yourturn2apply.com. Printable applications are also available for mailed in submissions. A special Student VIP Discount is available online. You may also order these student VIP cards (free of charge) that will help you promote this program in your school.

Please enroll your school online at yourturn2apply.com and offer these "What Drives You?" scholarship opportunities to all students in your school. Please hang the enclosed posters where most visible and post this opportunity on your school website and all social media pages to reach your students. On the enrollment page you can access PDF's of the poster, info sheet and a social media asset so that you have all the resources to promote this opportunity to your students. Remember, one school will receive a \$500 award for having the most student essays submitted during the 2023-2024 school year.

As Special Thanks for supporting this unique opportunity for your students, an Educator VIP Discount is offered to all counselors, teachers and administrators when you enroll your school on the sign up page at yourturn2apply.com.
