Jiffy Lube® Teen Driver Scholarship Program

Go to: www.yourturn2apply.com for complete rules, guidelines and student application forms.

The Jiffy Lube “What Drives You?” educational and scholarship program began in Utah in 2004. Since then, this program has been offered by local Jiffy Lube owners in 12 other states nationwide. This unique education and community service program is currently offered in Utah, New Mexico and regions of Arizona, Colorado, Idaho and Nevada.

Over \$356,000 in scholarships has been awarded to 223 students to date. Along with this, \$36,000 has been awarded to 75 high schools submitting the most essays in their respective regions.

Through this process we have had continual input from educators and counselors on how best to reach the students and better affect their overall driver education. As suggested by driver education instructors, we offer a Teen Driver VIP discount card in conjunction with the “your turn behind the wheel” video to be used as an incentive for students to learn more about driving responsibilities, how proper car maintenance can save money as well as lives, and how to help with our environment. This Teen Driver card can be used as an in-class incentive as is allowed at each school’s discretion.

Go to: www.yourturn2apply.com to enroll your school and order the Teen Driver VIP cards (free of charge). With a valid drivers license and student ID the Teen Driver VIP card is redeemable at local Jiffy Lube locations and is valid for entire high school enrollment. The discount card will remain distinct and separate from any eligibility requirements for the scholarships.

We invite your input and feedback as we continue to create an educational venue for improved Teen Driving safety and education. Please contact me below with suggestions or questions. We are also in need of volunteers for the annual scholarship essay review committee.
