1 Overall \$2,500 award, 1 Finalist \$1,000 award, 1 School \$500 award

Your neighborhood Jiffy Lube owners in the Eastern Idaho area are offering scholarship opportunities for all students attending your area high schools.

This commitment to local communities continues in the 2020-2021 school year in supporting students with positive incentives during this new education experience that they are faced with.

The unique "What Drives You?" scholarship program allows students to express their "inner drive" and personal ambitions with a 500 word essay — with no other criteria or academic requirements!

Students can apply directly online with their essay submission at www.yourturn2apply.com. Printable applications for mailed in submissions are on the website. A special 12 month student VIP discount card is also offered to download.

Offer these "What Drives You?" scholarship opportunities to all students in your high school and direct them to www.yourturn2apply.com to apply for this rewarding program. Please hang the enclosed posters where most visible and post this opportunity on your school website, FaceBook pages and any other communications in order to reach all in person or remote learning students. Remember, one school will receive \$500 for having the most student essays submitted during the 2020-2021 school year.

Please enroll your school on-line at www.yourturn2apply.com and see complete scholarship details/requirements. You may also order the student VIP cards (free of charge) that will help you promote this program in your school.

Thank you for supporting this unique opportunity for your students.
We look forward to reading their essays.
